**Re: *United States v. Emmanuel Cobbs*
22 Cr. 43 (JPO)**

Dear Judge Oetken:

A status conference is presently calendared for defendant Emmanuel Cobbs on November 20, 2023. The parties respectfully request an adjournment of the conference of approximately three weeks, until the second week of December if the Court has availability. The parties are discussing a disposition and require additional time to continue the discussions.

Should the Court grant the requested adjournment, the Government moves to exclude time under the Speedy Trial Act, 18 U.S.C. § 3161, between November 20, 2023 and the date of the rescheduled conference. The Government submits that the exclusion of time would be in the interests of justice as it would allow the parties to continue to discuss a potential disposition. In addition, defense counsel consents to the exclusion of time.

Granted. The November 20, 2023 pretrial conference is adjourned to December 13, 2023 at 11:30 am. The Court hereby excludes time through December 13, 2023, under the Speedy Trial Act, 18 USC 3161(h)(7)(A), finding that the ends of justice outweigh the interests of the public and the defendant in a speedy trial.

So ordered:
11/16/2023

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
